I. SUMMARY

Purpose

The purpose of this Parent-Student Handbook is to inform all members of the PRCS community about the standards and policies established to ensure an environment conducive to learning. These guidelines are designed to create a positive and supportive atmosphere that enhances the teaching and learning process. By clearly outlining expectations and regulations, we aim to promote academic excellence, personal growth, and mutual respect among students, teachers, and parents. This handbook serves as a comprehensive resource to help everyone understand their roles and responsibilities in maintaining a productive and harmonious school environment.

Implementation

This handbook supersedes all previous handbooks and remains in effect until a new version is issued. The administration reserves the right to make any regulation changes and/or corrections to the school's disciplinary policy whenever it is deemed necessary.

Any violation of the stated rules may result in the loss of the following privileges: taking exams and completing make-up work, receiving awards, being listed on the honor roll, participating in sports teams and national competitions, joining school and student activities, obtaining college recommendations, being promoted to the next grade, and graduating.

All monthly calendars, oral and written announcements, and notes from teachers and educational administrators are considered an integral part of the regulations of Puerto Rico Christian School. These communications hold regulatory authority and must be adhered to by the school community, regardless of their inclusion in this manual.

II. SCHOOL INFORMATION

History

Puerto Rico Christian School was founded in April of 1971 by Mr. & Mrs. William E. Loft, Mary Moore Reece, and Miss Katherine Rhodes as a means of providing a better education in a Christian atmosphere. During the 1971-72 school year a “pilot program” was instituted in a rented house with 11 students and three teachers and a helper. Since that time the school has moved to a larger campus, and has increased the enrollment of the student body to approximately 400 students.

Philosophy

Puerto Rico Christian School (PRCS) provides a quality English education from a Christian perspective. Teaching is based on the absolute truths revealed in the Bible and the application of those truths is emphasized in every area of study. Standards are set to raise the students to academic excellence. In addition, key principles of Christian character are taught in an effort to train students to whole-heartedly rise to the standard of Christian conduct in obedience, respect, and self-discipline. Thus, the Bible and Christian training are not “extras” but integral parts of every area of study, emphasizing a direct relationship to the sovereign God.

Mission

Puerto Rico Christian School, in conjunction with the home and the church, provides a quality English education for the whole student – spiritually, academically, socially, and physically – producing well-adjusted, morally sound individuals equipped to transform society for the glory of God.

Statement of Faith

Puerto Rico Christian School was founded and functions upon the basic fundamental principles of the Word of God, the Churches of Christ/Christian Churches, and it embraces the historic Christian view of life as presented in the Bible. The following statements of faith and practice are held by the administration and staff of Puerto Rico Christian School. These are not intended to be a creed or all-inclusive statement of faith, but simply an overview of our doctrinal stands.

We believe:

1. The Bible to be the inspired, the only infallible, authoritative, inerrant Word of God (2 Timothy 3:15, 2 Peter 1:21).
2. There is only one God, eternally existent in three persons- Father, Son, and Holy Spirit (Genesis 1:1, Matthew 28:19, John 10:30).
3. In the deity of Christ (John 10:33), His virgin birth (Isaiah 7:14, Matthew 1:23, Luke 1:35), His sinless life (Hebrews 4:15, 7:26), His miracles (John 2:11), His vicarious and atoning death (1 Corinthians 15:3, Ephesians 1:7, Hebrews 2:9), His resurrection (John 11:25, 1 Corinthians 15:4), His ascension to the right hand of the Father (Mark 16:19), His reigning over the kingdom, His church (Ephesians 2:20), and His personal return in power and glory (Acts 1:11 and Revelation 19:11).
4. In the absolute necessity of regeneration by the Holy Spirit for salvation because all have sinned and fallen short of God's glory (Romans 3:23). We believe it is essential to obey Biblical teachings to enter into a saving relationship with Christ Jesus (John 3:3). In order to be saved, one must hear the word (Romans 10:17), believe His teachings (Hebrews 11:1-6), confess the name of Christ (Romans 10:9-10), be baptized by immersion in water (Acts 2:38, 1 Peter 3:21), continue in the apostles doctrine, fellowship, the breaking of bread (weekly observance of communion-Acts 20;7) and in prayer (Acts 2:42, Hebrews 10:25).
5. In the resurrection of both the saved and the lost; they that are saved unto the resurrection of life, and they that are lost unto the resurrection of damnation (John 5:28-29).
6. In the spiritual unity of obedient believers in our Lord Jesus Christ (Romans 8:9, 1 Corinthians 12:12-13, Galatians 3:26-28, Ephesians 4:3), that He reigns over His

kingdom, the church, built on the foundation on the apostles and prophets and their teachings (Ephesians 1:22-23, Colossians 1:18) giving leadership gifts of evangelists, pastors (elders), and teachers (Ephesians 4:11).

7. In the present ministry of the Holy Spirit by whose indwelling the Christian is enabled to live a godly life (Romans 8:13-14, 1 Corinthians 3:16, 6:19-20, Ephesians 4:30, 5:18, Acts 2:38).
8. In the creation of the world and mankind as a direct act of God (Genesis 1:1, 2:2, 5:1-2).
9. God created humans male and female in His own image (Genesis 1:27). Marriage is rooted in Creation, it is a sacred institution established by God and is intended to be a lifelong union between one man and one woman (Genesis 1:28, Genesis 2:18-24, Matthew 19:4-6). Marriage is the only context in which sexual intimacy may be expressed (Hebrews 13:4). Consequently, we do not endorse same-sex couples, marriage or the LGBTQ+ lifestyle, as these are contrary to the teachings of the Bible (Romans 1:24-27).

Enrollment of a student in Puerto Rico Christian School shows acknowledgement that the parent and student understand that this statement of faith is the position taken by the school and the Churches of Christ/Christian Churches, not necessarily the personal conviction of the entire student body and families involved with Puerto Rico Christian School.

Objectives

Puerto Rico Christian School has set forth the following objectives to teach children and young people the correct and proper relationship of God in their lives. These objectives were formulated with Christ as the center of all learning. Our teaching objectives are designed to promote academic, social, physical and spiritual growth of all students. Our objectives can best be obtained through a sincere effort of cooperation between the school and home so that each child can receive the maximum learning possible in each classroom situation.

- Value the Bible as the infallible word of God.
- Encourage students to follow the commandments of God and obey him at all things.
- Instill the desire of coming to know Jesus Christ as our Savior by developing a personal relationship with Him.
- Develop academic excellence guided by Christian principles.
- Guide students through the process of developing good study habits and communication skills in both English and Spanish.
- Inculcate the necessity of working with others and independently in order to accomplish good citizenship as ordained by God.
- Identify each student's unlimited learning potential and help them develop their own critical and creative thinking.

Professional Affiliations

Puerto Rico Christian School is accredited by the “Comisión Acreditadora de Instituciones Educativas” (CADIE). We are also licensed to operate by the Department of State of Puerto Rico (A 22-03).

III. GENERAL INFORMATION

School Office

The PRCS office will be staffed from 7:30 a.m. to 4:00 p.m. on school days. You can reach the school at the following phone numbers: (787) 784-6830, (787) 784-6820, and (939) 260-0565. For the accounting office, please call (787) 394-4789. During the summer months, the office will be open from 8:00 am - 3:00 pm.

School Symbol and Colors

Our school symbol is “The Eagles” taken from Isaiah 40:31 -

*“Yet those that wait for the LORD
Will gain new strength;
They will mount up with wings like eagles,
They will run and not get tired,
They will walk and not become weary.”*

We want to instill in our students the principle that with God we are empowered to do great things for His kingdom if we trust in Him. Blue and white are our school colors representing the royalty and purity of Jesus Christ and His people.

Admission and Registration

Puerto Rico Christian School accepts a child on the basis of his/her former school record, an interview with the teacher, which will also involve entrance testing by the teacher, and proof of ability to work in English at the grade level for which placement is desired.

As a private school, PRCS reserves the right of setting and maintaining its own standards of student conduct, dress, cleanliness and scholarship. The school maintains the right to refuse admittance, and to suspend or expel students who violate the standard of conduct or other reasonable rules as defined by the teachers or administration.

Admission Requirements

Puerto Rico Christian School has an age requirement for pre-kinder through first grade to ensure that children are developmentally ready for the educational and social experiences provided. These requirements help align cognitive, emotional, and physical development with the curriculum, facilitate appropriate socialization, and maintain consistency in learning environments. Additionally, they ensure safety, promote well-being, and prepare children for future academic success.

Age requirements for new students:

- Pre-Kinder: Child must be 4 years old by August 31, of the year entering.
- Kinder: Child must be 5 years old by August 31, of the year entering.
- First Grade: Child must be 6 years old by August 31, of the year entering.

Required Documents

New students in Pre-K, Kinder, and Grade 1 must show a birth certificate. All children must have a Puerto Rico immunization record up to date. Registration is not final until we have the completed P-VAC-3 immunization form and the dental oral exam certificate form SO-001. No students may attend classes until we receive them. Transfer students must bring an official transcript, teacher recommendation, and letter of good financial standing from previous school. Please request our Admissions Policy in the office for more details.

Entrance Testing

Children will be tested individually before being accepted as students at PRCS from Kinder - 12th grade. Documents such as transfer record, last report card, and letter of conduct must be submitted to the office on testing day. A non-refundable testing fee will be charged at the time of testing. Registration fee must be paid within a week upon passing the test, or space will be given to the next applicant.

Educational Materials and Textbook Policy

At PRCS, we prioritize the use of a diverse range of textbooks within our curriculum to provide a well-rounded and Christ-centered educational experience. Our curriculum is designed to uphold high academic standards while integrating Christian principles into every facet of learning. Whenever feasible, we select Christian textbooks to align with our commitment to a faith-based education. Our curriculum draws from reputable publishers such as A Beka, Houghton Mifflin Harcourt, Savvas, and others, ensuring a comprehensive and quality learning experience for our students.

Bible classes at PRCS are rooted in Scripture, reflecting our statement of faith, and involve the memorization of scripture passages. The integration of the Bible and Biblical principles is a fundamental aspect across all academic areas, fostering a holistic approach to education.

PRCS adopts new textbooks under various circumstances, such as when current textbooks are no longer available, when educators believe that alternative series will better suit the teaching and learning needs of students, and when companies exclusively provide newer editions.

Changes in textbooks are guided by a commitment to enhancing the educational experience for our students. Our official textbook list is emailed to parents and posted in the office each year by May 15. Please request our Textbook Policy in the office for more details.

Student Services and Programs

Reasonable Accommodations

Puerto Rico Christian School (PRCS) is a mainstream educational institution that does not offer special education services, but has a reasonable accommodation policy to support students with specific needs, ensuring they have equal access to the general curriculum. Parents or guardians of students with physical or mental conditions, certified by a specialist, can request accommodations if the student meets the school's admission, academic, and conduct standards.

Reasonable accommodations involve adjustments to activities, environments, or procedures that enable participation without lowering learning expectations or imposing significant economic burdens, based on a diagnosis and specialist recommendations. To request accommodations, parents must complete an online form, after which the Counseling Department evaluates and selects feasible accommodations. Notifications will be sent to parents, and teachers will be briefed on the accommodations. Students must adhere to academic and conduct standards, and accommodations must be renewed annually with appropriate certification. Incomplete or outdated applications will not be processed, and requests for the new school year must be submitted before August. For more information, please request our Reasonable Accommodations Policy in the office.

PRCS does not offer a Spanish as a Second Language (SSL) program. However, if feasible resources are available, we will provide individualized support to students learning Spanish. SSL students will participate in their regular Spanish class with support from their teachers and families, following the school curriculum to help them succeed.

After-School Programs

Participation in extracurricular programs and clubs at our school offers students valuable opportunities for growth, leadership, and service. Every year, we offer clubs on Fridays from 3:30 to 5:00 p.m. the months of September to April. We offer clubs such as arts and crafts, chess, dance, entrepreneurship, table tennis, gaming, gardening, fine arts, theater, book club, etc.

Programs such as Mano Amiga and National Honor Society provide platforms for students to excel academically and contribute positively to their community. Eligibility for participation in these programs is determined by students' G.P.A. and conduct grades, ensuring that participants uphold the standards of academic excellence and good citizenship. Please request our National Honor Society selection procedure in the office for more information.

Additionally, our after-school sports program, featuring volleyball, basketball, and soccer teams, provides students with opportunities for physical fitness, teamwork, and sportsmanship. This program is usually offered to qualifying 3rd - 12th graders (depending on the sport). To maintain eligibility for participation, students must maintain an overall G.P.A. of at least 2.50 and maintain a conduct grade of at least C+. If these requirements are not met, the student will not be permitted to participate in sports activities for the rest of the season. These requirements emphasize the importance of academic achievement and responsible behavior both on and off the field.

Christian Service Program

Our Christian Service Program is a vital component of our school's mission to nurture students' spiritual growth and commitment to service. This program is mandatory for students in grades 10 through 12, with varying hour requirements for each grade level.

Community service is voluntary work intended to help people in a particular area. It aims to improve the quality of life for individuals and the community as a whole, promote civic responsibility, and foster a sense of empathy and social awareness among participants. It can also provide valuable experience and skills for those involved, contributing to their personal and professional development.

Community service activities can include a wide range of tasks, such as:

- Helping the Needy: Assisting at food banks, homeless shelters, or soup kitchens.
- Environmental Conservation: Participating in clean-up drives, planting trees, or recycling programs.
- Educational Support: Tutoring or mentoring students, helping in libraries, or organizing educational workshops.
- Healthcare Assistance: Volunteering at hospitals, health clinics, or blood drives.
- Supporting the Elderly: Visiting nursing homes, assisting with daily tasks, or organizing activities for senior citizens.
- Event Organization: Helping plan and execute community events, festivals, or fundraisers.

Students are required to complete their community service hours during the school year, from August to May. Each student has until May of the current school year to complete and submit their hours, which must be turned in before their last day of school.

If the hours are not completed by the last day of school, 10 additional hours will be added to the required total for next school year. Failure to complete the necessary hours will result in a notification on the student's transcript, which may impact college acceptance.

If students complete more hours than required, 25% of the extra hours will count towards the next school year. For example, if an 11th-grade student completes 20 extra hours, 5 of those hours will count for the next year in 12th grade.

Some of the required hours must be completed at school. In-school service hours can include helping with bookbags in the mornings and at 3:00 p.m., cleaning the lunchroom,

assisting with school activities, painting the school, and more. Hours completed outside of school can be done with organizations such as the Susan G. Komen Foundation, YMCA, Para la Naturaleza, etc. It is the responsibility of each student to find opportunities and places to complete these hours.

Please see the following table for the hours required by grade.

Grade	School in-service Hours Required	Outside Hours Required	Total Required Hours
10th	20	10	30
11th	15	30	45
12th	10	50	60

Printing Services

At Puerto Rico Christian School (PRCS), students are not allowed to print or use the photocopier on campus. This policy promotes responsible resource use and encourages digital submission of work. Students must bring any necessary printed materials prepared in advance. Failure to follow this policy may result in disciplinary action, helping us maintain an efficient and eco-friendly environment. Please request our Printing Policy in the office for more details.

Documents Requested Policy

At Puerto Rico Christian School (PRCS), we aim to provide timely and accurate documentation to our students and their families. We prepare various documents such as transcripts, letters certifying student registration, payment receipts, tax documents, and more. To ensure a smooth and efficient process, please follow these procedures and requirements for requesting documents:

1. A Student Request Form must be filled out for each document requested.
2. Please allow a minimum of five (5) business days for processing.
3. No document will be issued if there is an outstanding balance with the school. All financial obligations to PRCS must be fully paid before any document can be released.

Please ensure all requests are made well in advance to accommodate the processing time.

Chapel

Chapel is held once a month for each grade level, featuring messages and/or songs led by teachers or guest speakers. Attendance at each scheduled chapel service is mandatory. Attendees are expected to maintain a worshipful and respectful atmosphere during the service.

General Daily Schedule

All students should arrive just before 8:00 a.m. Supervision is provided 7:00-8:00 a.m. and 3:00-3:30 p.m. Please do not leave your child at school before 7:00 a.m. Class devotions begin at 8:00 a.m. At 3:00 p.m. students will stay in their classrooms with their teacher waiting for their ride. After 3:30 p.m. students will be sent to an assigned classroom and parents will be charged \$15.00 for each half hour tardy. Students staying for tutoring and/or homework supervision must remain indoors with the teacher's supervision.

Arrival and Dismissal Policy

Supervision is provided 7:00-8:00 a.m. and 3:00-3:30 p.m. Please do not leave your child at school before 7:00 a.m. In the morning, students may be dropped off at the driveway circle. For security reasons, no parents may enter school grounds.

To ensure a quick and efficient dismissal of students at 3:00 p.m., please follow these instructions carefully:

- **Walking Pickup:** Parents who enter school grounds on foot should pick up their child at the Kinder pedestrian gate located in the teachers' parking lot.
- **Car Pickup:** Parents who drive onto campus should proceed to the driveway circle. Please move your car forward to spot #1 by the lunchroom stairs, allowing us to assist up to five students at a time. To expedite the dismissal process, please place an 8x10 sign with your child's name and grade on the windshield. Do not get out of your vehicle. Personnel will be available to assist students with their book bags.
- **Parking:** Parents may not park in nor block the teacher's parking lot, businesses on the Levittown Boulevard or our neighbor's driveways,

If parents or family members arrive before 3:00 p.m. to pick up the student, please wait in your car outside the campus, not on school grounds.

Early Student Pick-up

Parents are not permitted to enter classrooms during class time (8:00 a.m. - 3:00 p.m.) for security reasons and to prevent unnecessary class interruptions. If you need to pick up your child early due to a family emergency or a medical appointment, please sign out your child at the office and wait there until they arrive.

Student Transportation Information

At the beginning of the school year, parents are required to fill out a "Student Transportation Information" form. If any parent or relative is not allowed to contact the child, please bring a copy of the protection order and custody papers to the office to ensure your child's safety. Also inform each of your child's teachers each year. If you allow your child to leave with someone who is not listed on the Student Transportation Information form, a written note or email must be sent to the office before 3:00 p.m.

Students Who Walk Home

Any student who is to walk home or to tutoring must have written permission from a parent or guardian. Parents can fill out the "Walk Home Pass" section in the Student Transportation Form at the beginning of the school year to grant their child permission to walk home throughout the school year. Students with parental permission will receive a digital "Walk Home Pass" via their institutional email, which must be shown at the Kinder pedestrian gate for a staff member to allow their departure. "Walk Home Passes" are valid for one school year. For students needing permission on a specific day, parents must send written consent before 3:00 p.m. Students with "Walk Home Passes" must leave school grounds promptly at 3:00 p.m. and are not allowed to return once they have left.

Students Who Drive

High School students who drive themselves to school must park at the urbanization across the Boulevard Avenue, as parking spaces are not available on campus. Cars are left at the owners' risk. Students are not permitted to return to their cars without office permission until 3:00 p.m. dismissal.

Parking

There is no parking available to parents on the school campus. The parking lot is for staff only. If you need to enter school grounds, please park in the urbanization across the street. Please do not park blocking the gate area. Also, please refrain from parking in the private businesses or apartments close to the school. Do not drop off or pick up students outside school gates. No student may wait for a ride outside the school gates, even if the parent tells them to do so.

Parent-Teacher Conferences and Report Cards

Close communication and cooperation between parents, teachers and administrators is essential in reaching the optimum educational experience for each child. Two parent-teacher conferences will be scheduled each year, plus other conference times; however, if there is reason for concern throughout the year, a conference can be requested by either the parents or the teacher. By working together, we can ensure a positive learning environment for the student.

The first parent-teacher conference will take place at the completion of the first nine-week grading period (Q1), and the second will occur at the completion of the third nine-week grading period (Q3). Parent attendance to Parent-Teacher Conferences is required. If you are unable to attend the scheduled conferences, please contact your child's teacher to arrange a convenient meeting time to discuss your child's report card. Report cards for each grading period will be available on the Skiffer grading system platform. Final printed report cards will be sent home with the child in May of each school year. Report cards for students with outstanding balances will be retained in the office until the account is paid in full.

Retention Policy

The PRCS Retention Policy is based on a decision made after a conference has been held with the student's parents, teachers and school administration. The decision is not made lightly, but it is based primarily upon what is best for the student.

Determining factors in this decision will include one or several of the following considerations:

1. Grades – Any student with grade averages for the year consisting of 2 F's, 4 D's, 1 F and 2 D's, or lower, in major subjects (Reading, Spanish, English, Math, Science, Social Studies, and Bible) will repeat the grade. This does not apply to 10th-12th grade students which have a different credit system. Please see Diploma Requirements: Twelfth Grade for more information.
2. Readiness to successfully do the work of the next grade level – A student with grades which are low but passing may need to repeat because he/she is clearly not ready for the next grade level. This is because grades sometimes reflect not only the achievement of the child but also the very hard efforts of parents and teachers. If the student has not yet mastered the skills for the grade level or learned to do the work by himself, the teachers may be aware of this fact and thus recommend retention.
3. Reading level and reading comprehension must be adequate for the grade level.
4. We may also consider any of the following in combination with the above factors: social and emotional maturity, any learning disabilities, attitude and effort, ability to function with English instructions, attention deficit disorder and/or hyperactivity (especially if untreated), and any other major problems seriously affecting the child's ability to progress.
5. A record of poor attendance accompanied by poor academic achievement could require retention.

If parents do not accept the recommendation or decision of the school, PRCS has the right to refuse admission to the child the following school year, whether or not the student is already registered for that year.

To be promoted to the next grade, a student must maintain satisfactory grades. Parents will be informed by the teacher if there is a possibility of retention. Such a decision will be made in accordance with the Passing/Retention policy available in the school office. The decision shall only be made after a conference has been held with the parents, teachers, and the administration to discuss what action is in the best interests of the student. All classes offered are expected to be completed by all students. Please request our Retention Policy in the office for more details.

Graduation Policy

PRCS commemorates the graduation of students in Kinder, 9th, and 12th grades. This marks a noteworthy achievement, signifying years of dedication and personal development. Graduation ceremonies are official school events, and as such, the school assumes full responsibility for all planning aspects related to the event. This means that neither the graduating class nor parents will be directly involved in the organization or execution of the ceremony. From planning logistics to coordinating participants and ensuring the smooth flow

of proceedings, the school administration takes charge of every detail to ensure a dignified and memorable event for all involved. Parents may volunteer to help in the execution of PRCS' ceremonies, but will not be involved in the decision making process. This relies solely on the Administration. For more information, please request our Graduation Policy in the office.

Honor Roll Policy

The PRCS Honor Roll is for students from grades first through twelfth. If a student is selected for the PRCS Honor Roll, parents will be charged an Honor Roll Fee per student. This fee is used to pay part of costs of the ceremony, t-shirt, certificates, medals, gifts, etc.

To be eligible for the PRCS Honor Roll, students must meet the following requirements:

1. Maintain a **90%** or more in conduct.
2. Achieve no less than a B- in **any** core subject (English/Language Arts, Spanish, Math, Social Studies, Science, and Bible) in Semester 1 and Quarter 3; students with a C+ (79%) or lower are automatically disqualified.
3. Have an academic average of **90%** or more in Semester 1 and Quarter 3. (Grades in the elective courses are not calculated towards the academic average, but all elective courses must be a passing grade, from A to C.)
4. Students who enrolled in the second semester do not qualify for the current school year's Honor Roll. Please request our Honor Roll Policy in the office for more details.

Fundraising and Sales Policy

No unauthorized advertising or sales of any merchandise or services should occur on school property whether by students, parents, staff or others. Any fundraising must be approved in advance by the administration. Once authorization is granted, sales must occur during lunch, or after 3:00 p.m. Fundraising should never interrupt classes. Students should not have money at school except specific amounts needed for book orders, field trips, snacks, or moderate amounts needed for fundraising sales. Funds raised at PRCS for graduation activities shall be deposited in a designated school account for use by the graduating class. (This does not include "quotas" assigned by parents or funds raised off school grounds.) Fundraising for graduation activities will not be used for activities which include consumption of alcohol. Please request our Fundraising Policy in the office for more details.

Procedure for Handling Parent's Concerns

We understand that miscommunication, confusion, and concerns may arise at times. If you encounter such a situation, please follow this procedure to help resolve the issue:

1. **Request a meeting with your child's teacher.** Although a phone call in some cases may be enough, we believe that an in-person meeting helps avoid miscommunication.
2. **Allow time for resolution.** Allow a reasonable amount of time for the problem to be addressed. Follow-up with your child's teacher in two weeks to see what progress has been made.
3. **Escalate if necessary.** If a reasonable amount of time has passed and you have followed up with your child's teacher and the problem has not been resolved, request a

meeting which may include the teacher, the parent, the Dean of Students or Social Worker and an administrator to mediate the situation. During this meeting, the problem will be identified, a plan of action will be established, and follow-up procedures will be clarified.

Student Lists Policy

Student lists will be prepared collaboratively by all teachers of the respective grade at the end of the school year. The lists will consider each student's individual needs—academic, social, emotional, and behavioral—as well as the overall group dynamics to promote a positive learning environment. Decisions will be based on year-long observations and evaluations, along with relevant information from parents or guardians. Teachers will work together to ensure an equal distribution of skills, personalities, and needs. Once finalized, the lists will be definitive to ensure stability and effective planning. Parents and students will see the final lists posted on classroom doors on the first day of school. Please request our Student Lists Policy in the office for more details.

Expected Parent Cooperation

- We encourage parents to schedule a meeting with their child's teachers as needed.
- Parents should not enter the classroom and interrupt class time.
- All parents are expected to be out of school grounds between 8:00 – 3:00 p.m.
- Parents may request an appointment with the Director for administrative issues only.
- For academic or behavioral problems, please follow the Complaint Resolution Policy before requesting a meeting with the Principal.
- Smoking is not allowed on or anywhere near the school campus.
- Please wear appropriate clothing when entering school grounds. (No shorts or tight clothing)
- No parent should scold other people's children. If there is a major problem, please request a meeting with your child's teacher.
- Parents are expected to cooperate and support the school's disciplinary measures and rules.

IV. Attendance

Students need to attend class on time every day. The parent or guardian is legally responsible for the attendance and punctuality of their child. If a student shows a pattern of excessive absences or tardies in a given quarter, parents may be requested to meet with the social worker.

Absences

Students need a written excuse from a parent/guardian after each absence from school. Parents must email the excuse to their child's homeroom teacher. He/she will share the excuse with your child's other teachers. If prolonged or excessive absences occur, the school may request a written explanation from the student's physician. If a student is ill, parents should also notify the school nurse by phone (787-385-8099) or email (nurse@myprcs.com). Five (5) unexcused absences can result in a written warning being sent to the parents.

Excused Absences

Parent's excuse is required the day the students return to the classroom after their absence. Students are responsible for any academic work that they miss due to absences. Any missed work can be made up for full credit. The assignment given may be a different assignment, but of equal weight value and focus. If possible, arrangements must be made with the teacher prior to the absence to make up any missed work. Work must be made up within a reasonable time from the time of the absence. Excused absences considered are:

1. Students' illness
2. Family emergency
3. Field trip and school approved activities
4. Medical appointment
5. Other reasons deemed appropriate by the Principal when arrangements have been made **prior** to the absence.

Unexcused absences

An unexcused absence will be any absence that has not been excused by parents the day the student returns to the classroom. All work and tests missed will be counted as zero.

Valid Excuses Accepted

Parents or guardians may send a written excuse to their child's homeroom teacher's institutional email or send a written note signed by the parents as a means to excuse a child from school. Any written excuse must be received the same day the student returns to school.

Guidelines for keeping your child home from school

To ensure the health and well-being of all students, it is important to follow specific guidelines when deciding whether to keep your child home from school. These measures help prevent the spread of illness and maintain a healthy school environment for everyone. Please review the following criteria to determine when your child should stay home:

- Fever above 100 degrees F
- Severe coughing
- Difficulty breathing
- Diarrhea
- Vomiting
- Conjunctivitis (pink eye)
- Untreated infected skin patches, such as impetigo, ringworm, etc.
- Evidence of lice (must be treated before return to school)
- Sore throat associated with fever
- Skin rashes associated with fever
- Chicken pox or other childhood disease (must have all pox scabbed over before returning to school)

*A child must be symptom free for 24 hours and have a doctor's certificate before returning to school.

Absence/Homework Responsibility

If you are planning a family trip or know that your child will miss several days at a time, please discuss this with your child's teachers and make arrangements to get his/her classwork in advance. Parents must fill out an "Extended Absence Form" and give it to the homeroom teacher at least two weeks in advance. Students are responsible for getting their assignments and for the completion of unfinished assignments during absences. Assignments should be complete on the day the student returns to class. Please avoid planning family holidays during school hours.

For all other absences, it is most helpful if a parent can pick up missed assignments on the day of the absence. Please call the office before 10:30 a.m. so we can have the work ready when you arrive. Students must complete their homework in a period of time equivalent to the time they missed (i.e. absent 1 day - has 1 day to complete homework. Absent 1 week - has 1 week to complete homework.)

In the case of assignments that have been given a specific advance date (i.e. term papers and large projects), the student must turn in the work on that date, whether he/she is present or absent.

A student who is absent for a test will be expected to take the test the day he/she returns providing the test was announced prior to the date of absence.

Consequences of Absences

Continued absences can lead to parents being called to the school for a meeting with the Director, Principal, Social Worker, or Teacher to address the underlying issues and develop a plan to improve attendance. If absences persist despite these interventions, a notification may be sent to the Family Department to ensure that appropriate support and resources are provided to the family. As a last resort, if the attendance issues continue unresolved, the student may face suspension and/or expulsion from the school.

If a student presents a pattern of absences in a grading period the following consequences may apply:

- 2-4 absences- Written note from the teacher.
- 5-10 absences- Teacher will refer to the Social Worker. Continued absences can lead to parents being called to school for a meeting with the Director, Principal, Social Worker or Teacher.
- More than 10 absences- May result in a referral to the Family Department.
- The final consequence will be to suspend and/or expel the student.

Tardiness

“Tardy” will include students who enter the classroom after 8:10 a.m. If a student is tardy six or more times, the conduct grade will be lowered as follows:

- 6-10 = Conduct grade will be lowered once (e.g. from A to A-; from A- to B+)
- 11-15 = Conduct grade will be lowered twice (e.g. from A to B+, from A- to B)
- More than 16 = Conduct grade will be lowered three times (e.g. from A to B; from A- to B-)

The conduct grade will not be lowered more than three times. If a student has been late to class more than 10 times in a grading period, he/she will be referred to the social worker and/or the Family Department.

Excused Tardies

Students that arrive late to class due to a medical appointment and bring a doctor’s certificate will not have their tardy counted as part of the tardies that are taken into account when lowering a conduct grade.

Leaving school during the day

Students may not leave school during the day without official authorization. Parents must send an email to PuertoRicoChristianSchool@gmail.com authorizing the student’s early dismissal if the student is leaving with someone other than the parent. Parents or authorized guardians must sign the student out using the Early Pick-up Form at the school office. High school students who drive will be authorized to leave school grounds once the office has received the written permission from their parents.

- Repeated Level One Disciplinary Infraction (more than 4).

VII. Health and Safety

Harassment (Bullying) Policy

Puerto Rico Christian School (PRCS) strives to provide a sensitive environment conducive to education in which all people (both students and adults) are treated with respect at all times. Persistent, aggressive behavior, whether physical, verbal, or social, shall not be tolerated at PRCS. Cyberbullying directed toward any PRCS student or adult, whether it occurs on or off campus, is also not permitted.

Harassment Definitions

- A. GENERAL HARASSMENT: PRCS will not accept any behavior within the school community that a reasonable person would objectively find intimidating, degrading, or humiliating to others based on all relevant facts and circumstances of each case.
- B. SEXUAL HARASSMENT: is unwanted sexual advances and other verbal, visual, physical conduct, or any other behavior of a sexual nature that is intimidating, hostile, degrading, or offensive so that a reasonable person would objectively feel uncomfortable and possibly threatened. PRCS recognizes that healthy social and personal relationships among students include dating and courting behaviors. However, sexual comments, gestures, or other forms of expression that a reasonable person would objectively find intimidating, degrading, or offensive will not be tolerated.

There are several types of sexual harassment:

- Quid Pro Quo: someone with power uses that power improperly to gain an advantage over someone else.
 - Peer to Peer: someone harassing an equal.
 - Hostile Environment: persistent and calculated behavior which a reasonable person would objectively find unreasonable and in which an unpleasant environment to learn has been produced because of things said or done to others.
- C. RACIAL, RELIGIOUS, NATIONAL ORIGIN, ETHNIC HARASSMENT: is intimidation, humiliation, or degradation of an individual or group on the basis of race, religion, or national origin or ethnicity. These forms of harassment will not be tolerated and will result in appropriate disciplinary action. **Teachings based on sound Biblical concepts will not be considered harassment or degrading.**

Actions to be Taken

Any Puerto Rico Christian School (PRCS) student on campus during school hours or off campus on school-sponsored activities whom has been the subject of prohibited harassment by other student(s) or member(s) of the faculty or staff should immediately report such incidents to any member of the faculty, staff, or Director. The incident will be promptly and thoroughly investigated for its validity. Charges will be determined by an appropriate discipline committee which may include the Principal, Social Worker, Teachers, and/or Dean. PRCS will not tolerate retaliation to individuals for bringing a complaint that they consider truthful to the attention of the above authorities. Based on the definitions as set above, such harassment will constitute a serious violation of school policy and will result in appropriate disciplinary action according to the facts of each case that, among other consequences, could include suspension or expulsion from school, at the sole discretion of the Administration of PRCS.

Student Medication Policy

If your child needs to take any medication while at school, whether short-term (such as an antibiotic, Tylenol, or a cold remedy) or long-term (such as ADHD medication), please note that PRCS staff is not legally authorized to administer medications. Therefore, no PRCS staff may administer medication to any student. The school nurse may remind the student to take medication if the parents request it, but she is not obligated to do so, nor is she responsible for whether the child takes them or not. The responsibility for administering medication lies solely with the parents, not with the school or its staff. If you believe your child cannot take medication without adult assistance, the medication must be brought to school in its original container labeled by the pharmacy with the child's name. Also, parents must fill out the "Authorization to Administer Medication" document provided by the school. Otherwise, parents should arrange to come to administer the medication at an appropriate time, such as during lunch or recess.

No student should have any medication at school that has been prescribed for another person (even a family member). The container must be labeled with the child's name, the exact dosage, and the name of the medication. PRCS no longer provides Tylenol (acetaminophen) to students except in emergency cases such as high fever.

Students with Asthma

If your child may need asthma treatments during school hours and is able to self-medicate, please request a copy of Law 56 of 2006 and Law 473 of 2020 by Internet or from our office. You would need to bring the "**Plan de Acción**" by the child's doctor, including the certification that the child has the necessary training, written parent authorization for the child to have and use the medication at school, etc. Even if the student will not be giving treatments to himself or herself, please keep the P.R.C.S. office and all of your child's teachers informed about the asthma diagnosis and any special precautions which may need to be taken. Please request our Students with Asthma Policy in the office for more details.

Students with Diabetes

Puerto Rico Christian School (PRCS) is dedicated to supporting students with type 1 diabetes through adherence to Law 199 of 2015, ensuring a safe and inclusive environment. The policy mandates comprehensive training for school personnel, provided annually by the Fundación Pediátrica de Diabetes (FPD). The mandatory virtual Level 1 workshop will be conducted for all staff or, at minimum, those in direct contact with the student, including the school director. The director is specifically responsible for safeguarding this protocol. Please request our Students with Diabetes Policy in the office for more details.

Students with Epilepsy

Puerto Rico Christian School (PRCS) is dedicated to supporting students with epilepsy (Law 15 of 2010), providing educational workshops to employees and students during the school year about the condition of epilepsy.

Suicide Prevention Policy

The Suicide Prevention Policy at Puerto Rico Christian School outlines protocols for preventing, intervening in, and responding to suicidal behavior, ensuring student safety and well-being. It covers prevention through mental health education, staff training, and support services, while promoting open communication. In crisis situations, immediate reporting to the Suicide Prevention Coordinator and prompt action by the Response Team are required, with parental involvement. Postvention includes supporting affected individuals and handling communications sensitively. Confidentiality is maintained, with detailed documentation and biannual reporting. The policy is reviewed annually to remain effective and compliant. Please request our Suicide Prevention Policy in the office for more details.

Accident Policy

Safety precautions will be taken at all times by P.R.C.S. staff to prevent accidents. Students are never to be unattended and are never to go outside without adult supervision. In the event of an accident, a staff person will treat the injury using first aid techniques. Should there be a serious injury or emergency, an ambulance will be summoned. Parents will be contacted immediately and if unable to come to school, a school official will go with the student to the medical facility. An emergency sheet is kept on file for each student. **It is the parent's responsibility to inform the office of any changes in emergency telephone numbers.**

Student Accident Insurance

All students are covered with accident insurance through the Mapfre Life Insurance Company, included in the registration fee. If your child should have an accident at school or during school activities, and you wish to have him/her examined by a doctor, please request insurance forms in the office. The claim may be filed with the form and payment receipts for medical services. The time limit to file the claim is 90 days from the date of the accident.

Security

The gates of PRCS will be closed and locked at **8:10 a.m.** Visitors must by law report to the office. PRCS reserves the right to implement strict security measures in order to reduce the risk of problems associated with the use of alcohol, tobacco, and other drugs, as well as theft and violence. Parents visiting school need to come to the office.

These security measures include, but are not limited to the following:

- The right to search student book bags, hand bags, lockers or any other type of container on school grounds or officially sponsored school activities celebrated off school grounds when there is reasonable doubt to verify the possession of alcohol, tobacco, and/or other drugs or stolen property.
- The school can also use or require other means of detection of the presence, possession and/or use of drugs, including drug testing at the expense of the parents.
